# SCOUTMAT

Lightweight. Versatile.

And built Spartan tough to last.

**Scout Mat™: Dependability. Adaptability.**

Perfect for light and medium-duty jobs, Spartan Composites, LLC is the proud manufacturer of the **Scout Mat™**. At 79 lbs each, the Scout Mat™ can be moved around manually, without the need for equipment or operators. It's perfect for turf protection, rutting prevention, weight distribution and a myriad of other construction applications. Made from HDPE, the Scout Mat® will never rot and with over 89 locations, we're closer than you think!
