SCOUTMAT

Lightweight. Affordable.

And built **Spartan** tough to last.

Scout Mat™: Dependability. Adaptability.

Perfect for light and medium-duty jobs, Spartan Composites, LLC is the proud manufacturer of the **Scout Mat™**. At 88 lbs each, the Scout Mat™ can be moved around manually, without the need for equipment or operators. It's perfect for turf protection, rutting prevention, weight distribution and a myriad of other construction applications. Made from HDPE, the Scout Mat™ will never rot and with over 89 locations, we're closer than you think!

The Scout Mat™—The mat every contractor should seriously consider having 20 to 30 of on hand at all times. Useful in almost every situation.

Expect the best from the Scout Mat™

- Made of non-toxic and chemically inactive material makes this mat perfect for **environmentally sensitive locations**.
- **Does not conduct electricity.**
- **Handles a wide variety of equipment** including rubber-tired vehicles, excavators, heavy machinery, cranes, & drilling rigs.
- **Solid, heavy-duty, high-density polyethylene (HDPE).**
- Our solid light-weight mat is perfect for jobs where mats need to be **handled and installed manually.**
- **Rated up to 200 psi, the Scout Mat™ bears loads up to 80 tons, or 160,000 lbs, depending on the ground conditions and on how the load is distributed.**

Scout Mat™ Options:

- **2-way & 4-way connectors**—Best drop in connectors in the industry. Easy to use and built Spartan tough with stainless steel to last.
- **Traction**—Raised nubs for efficient traction and mud dispersal; reversible pedestrian surface.
- **Colors Available**—Standard Tan, great for reducing heat, which decreases likelihood of killing grass and vegetation. Black for recycled HD Polyethylene. Choice of colors for virgin HD Polyethylene.
- **Branding**—Become a distributor and/or create custom logos or branding for industry recognition.

ZeroSkid™ Options:

- **ZeroSkid™**—Ask us about our ZeroSkid™ technology for increased safety and maximum traction for both equipment and personnel.
