BETTER BY DESIGN

# SPARTAN COMPOSITES

## MAKING MATS IN THE USA

Spartan Composites manufactures strong, long-lasting composite mats. We been producing composite access mats for over 14 years at our Rockledge, Florida plant.

Our expertise, relationships in the access mat industry, high-quality mat products and prompt service are some ways we earn our customers' business.

Our top product is SYSTEM 7™, one of the strongest, most durable and yet lightweight interlocking composite mats on the market. It's a good fit as a construction mat, road mat, rig mat, bog mat, and more.

We also make SCOUT MAT™, a sensible light duty mat for many uses. We are proud to say that we manufacture these access mats in the USA.

# SYSTEM7™

## HEAVY DUTY ACCESS MATS FOR THE 21ST CENTURY.

Spartan Composites engineered a better interlocking composite mat system from the ground up. Strength, value, performance, and durability: SYSTEM7™ is the total package. In fact, SYSTEM7™ is the ground protection that every contractor should demand. You can count on SYSTEM7™ every day in every way. It provides reliable, tough access for trucks and heavy duty equipment.

### EXPECT THE BEST FROM SYSTEM7™

Strongest Mat in the world!

Strongest connecting lip in the world!

Patented ZeroSkid™ technology gives System7™ the best coefficient of friction (traction) in the world!

Patented locking pins solve problems other pinning systems still deal with.

System7™ unique formulation minimizes or eliminates the curling problems associated with other composite mat products.

### PRODUCT SPECS

<b>Shipping Size:</b>	8' x 14' x 4.25"
<b>Usable Size:</b>	7' x 13' x 4.25" (after overlapping and interlocking)
<b>Weight:</b>	1,050 lbs per mat
<b>Transportation:</b>	45 per truck
<b>Strength:</b>	Heavy Duty Class
<b>Connectivity:</b>	Compatible with the most common mat in the industry
<b>Buoyancy:</b>	Yes
<b>Customization:</b>	Options Available Upon Request
<b>Tracking:</b>	GPS or RFID tracking options available
<b>Warranty:</b>	1-year Limited Warranty

# SCOUT MAT™

## LIGHTWEIGHT ACCESS MATS FOR BUSY CONTRACTORS.

Capable of handling light duty equipment in soft conditions, Scout Mat™ is the access mat that every contractor should have at the ready. This lightweight road mat holds weight, handles pressure, and lasts for over a decade. With the accompanying connectors, Scout Mat™ stays where you put it. These access mats simplify everyday life on the job.

### WHY CHOOSE SCOUT MAT™

Perfect for light and medium-duty jobs.

Fast Installation - At 88lbs each, Scout Mat™ can be moved around manually, without the need for equipment or operators.

It's perfect for turf protection, rutting prevention, weight distribution and a myriad of other construction applications.

Made from HDPE, the Scout Mat™ will never rot.

### PRODUCT SPECS

<b>Thickness:</b>	0.5 inches (12.7 mm)
<b>Width:</b>	48 inches / 4 feet (121.92 cm / 1.219 m)
<b>Length:</b>	96 inches / 8 feet (243.84 cm / 2.438 m)
<b>Weight:</b>	88 lbs (39.91 k)
<b>Transportation:</b>	510 per truck
<b>UV Protection:</b>	Yes
<b>Static Dissipative:</b>	Yes
<b>Connectors:</b>	2-way or 4-way
<b>Warranty:</b>	1-year limited warranty

## LEADERSHIP

---

**JUSTIN THELIN** Founder/CEO

Justin Thelin is President and CEO of Spartan Mat. Justin is a veteran in the lumber mat industry after beginning his career over 20 years ago with North Pacific Group (NPG) in Oregon, where he largely developed and built their entry into lumber matting. Justin later founded Spartan Mat in 2012 which has become one of the largest mat brokers and market makers in the U.S., with lumber yards and distribution available to all 50 states. With Justin's vision and market experience, he saw the growing importance of composite matting and started Spartan Composites in December 2018 to manufacture and develop System7™ and bring other composite mats to market.

**JEREMY THELIN** VP of Sales/Partner

Jeremy Thelin is VP of Sales at Spartan Mat and plays a key role for mat sales and marketing. Prior to joining Spartan, Jeremy owned and operated his own mat brokerage firm, and has been in the matting industry since 2005. Prior to matting, he held successful sales and purchasing roles with North Pacific Group where he bought and sold lumber and timber products. During this time he forged important relationships with many sawmills that, with his guidance, began to produce mat products.

**BRIAN SCHENK** CFO/Partner

Brian joined the Company in December 2018 to help Spartan Mat start and grow its manufacturing subsidiary, Spartan Composites. He brings 20 years' experience of corporate banking and finance to help with strategies to best support the company's growth and vision to compete across both wood and composite segments.

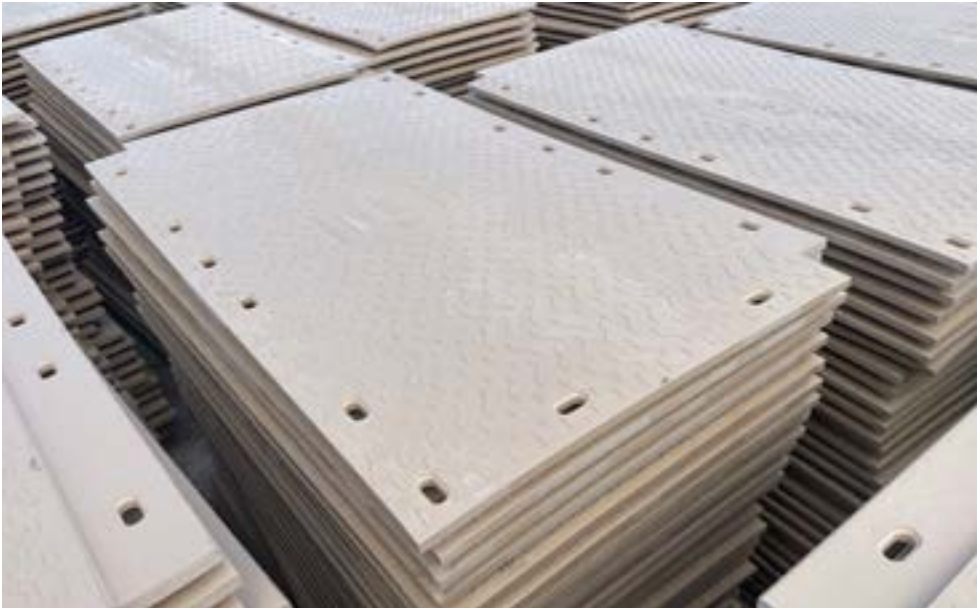

**JEFF JUERGENS** President

Jeff Juergens is the President of Spartan Composites. He brings over 25 years of leadership experience where he's held Senior-level Executive positions and managed brands globally. Before Spartan, Jeff was President of Mats and Integrated Services at Newpark Resources for over 5 years where he helped the division's revenue increase to over 250m and grow to over 500 employees. Jeff oversees all of operations and sales at Spartan Composites, growing over 80 employees the last two years.
